

The Privacy Policy

This Privacy Policy governs the manner in which Vescom Sp. Z o.o. Sp. K. collects, uses, maintains and discloses information collected from users (each, a "User") of the Distorted App. This privacy policy applies to the App and all products and services offered by Vescom Studios team of Vescom Sp. Z o.o. Sp. K..

Personal identification information

We may collect personal identification information from Users in a variety of ways, including, but not limited to, when Users download our App, when Users buy our App, subscribe to the newsletter, and in connection with other activities, services, features or resources we make available on our App. Users may be asked for, as appropriate, name, email address. Users may, however, visit our App anonymously. We will collect personal identification information from Users only if they voluntarily submit such information to us. Users can always refuse to supply personally identification information, except that it may prevent them from engaging in certain App related activities.

Non-personal identification information

We may collect non-personal identification information about Users whenever they interact with our App. Non-personal identification information may include the operating system name, the type of device and technical information about Users means of connection to our App, such as the Internet service providers utilized and other similar information.

How we use collected information

Vescom Sp. Z o.o. Sp. K. collects, gathers, stored, and uses Users personal information for the following purposes:

- To use of our App by Users;
- To personalize user experience;

We may use information in the aggregate to understand how our Users as a group use the services and resources provided on our Site;

- To improve our App;

We continually strive to improve our website offerings based on the information and feedback we receive from you.

- To administer a content, promotion, survey or other App feature;
- To send Users information they agreed to receive about topics we think will be of interest to them.

We adopt appropriate data collection, storage and processing practices and security measures to protect against unauthorized access, alteration, disclosure or destruction of your personal information, username, password, transaction information and data stored by Us.

Sharing your personal information

We do not sell, trade, or rent Users personal identification information to others. We may share generic aggregated demographic information not linked to any personal

identification information regarding visitors and users with our business partners, trusted affiliates and advertisers for the purposes outlined above. We may use third party service providers to help us operate our business and the App or administer activities on our behalf, such as sending out newsletters or surveys.

Third party websites

Users may find advertising or other content on our App that link to the sites and services of our partners, suppliers, advertisers, sponsors, licensors and other third parties. We do not control the content or links that appear on these sites and are not responsible for the practices employed by websites linked to or from our App. In addition, these sites or services, including their content and links, may be constantly changing. These sites and services may have their own privacy policies and customer service policies. Browsing and interaction on any other website, including websites which have a link to our App, is subject to that website's own terms and policies.

Advertising

Ads appearing on our App may be delivered to Users by advertising partners, who may set cookies. These cookies allow the ad server to recognize your computer each time they send you an online advertisement to compile non personal identification information about you or others who use your computer. This information allows ad networks to, among other things, deliver targeted advertisements that they believe will be of most interest to you

Compliance with children's online privacy protection act

Protecting the privacy of the very young is especially important. For that reason, we try never collect or maintain information at our App from those we actually know are under 13, and no part of our website is structured to attract anyone under 13.

Third Party Services

Our websites and products may contain advertising or third party services (such as the Facebook Like button or links to third-party websites). If you click on those links, including an advertisement, you will leave the Distorted App and go to the site you selected. If you visit a third party website or use a third party service, you should consult that site's or service's privacy policy.

Changes to this privacy policy

Vescom Sp. Z o.o. Sp. K. has the discretion to update Privacy Policy at any time. We encourage Users to frequently check this page for any changes to stay informed about how we are helping to protect the personal information we collect. You acknowledge and agree that it is your responsibility to review this privacy policy periodically and become aware of modifications.

Your acceptance of these terms

When you fill out a form and using this App, you are giving us a consent to the processing of your data and signify your acceptance of this policy. If you do not agree to this policy, please do not use our App. Your continued use of the App following the posting of changes to this policy will be deemed your acceptance of those changes.
